### Policy on Refusal of Entry

The Organizing Committee of an event may refuse the entry of any competitor or dog for just cause should the Committee view that participation by the competitor or dog could be prejudicial to the sport. However, in such case, the Committee must notify the competitor in writing upon receipt of entry, but in no case, more than three days following the event closing date for acceptance of entries. The burden of responsibility for the appropriateness of such action rests solely with the host group and its Organizing Committee.

### **NSF Check/Credit Card**

Any check or credit card that is charged back by the bank or other financial institution may be assessed a service charge of up to \$40 per incident at the discretion of the host group.

Returned checks or credit card returns do not constitute a valid entry. Amounts shall be paid within 30 day of postmarked notice of the returned payment if such date follows the event date. Any fees not received within 30 days of notice will result in cancellation of event results for all classes related to the entry for which payment was made. No reinstatement of results is possible, and all awards must be returned within 10 days of notification or the dog's registration may be suspended pending restitution.

Any unpaid fees or shortfalls must be paid prior to the start of the event, or entry is canceled without recourse.

### **Refund Policy**

There shall be NO REFUNDS for entries withdrawn after the closing date for acceptance of entries, for absentee, dismissal from the event as a result of disciplinary action, dismissal from a class, or for any other reason. Also, no entry fees will be refunded if the event cannot open or be completed by reason of riots, civil disturbances, acts of terrorism, fire, "act of God", public emergency, strike, or any other cause beyond the control of the host organization.

### **Bitches in Season (BIS) Allowed**

Bitches in Season (BIS) are allowed to run in all classes. The following will apply:

- BIS dogs must start on a protective mat at the start line, which shall be provided by the competitor. Sanitary britches in addition to the mat are optional.
- BIS must wear sanitary britches at all times on the grounds except when in the competition ring, at the warm-up jump or when pottyng.
- The competitor must notify the trial secretary immediately upon finding out that their dog will be in season.
- Think Pawsitive shall establish the running order at which time BIS shall run. BIS may run at the end of each class they are entered in.
- There will be a table of the same specifications available for BIS use only.
- BIS is a good faith policy to provide all handlers the opportunity to compete. Handlers choosing to compete with a BIS should provide due consideration to their dog's condition and temperament and the impact on others it might have in determining whether they will participate with a BIS. In doing so, they must at all times be respectful to the show committee and fellow competitors.

### **Fix and Continue (F&C) Allowed**

Fix & Continue (F&C) is allowed subject to the following conditions:

A competitor may immediately repeat an obstacle other than a spread hurdle or long jump if it is faulted or if the dog, in the competitor's sole discretion, did not meet their desired performance criteria. In so doing, the competitor may repeat one or more relevant obstacles prior to the point of error if it is beneficial to their approach or performance of the obstacle.

- The handler and dog shall continue to work in flow, performing the obstacle (or sequence) once in a normal pace and may continue through the rest of the course unless a fault has occurred that violates any fault limits that may have been set for the class.
- A handler may choose to reset a single bar hurdle for their "fix" attempt. They may fix the bar and re-attempt the jump, but shall not continue and must exit the ring immediately thereafter.
- F&C may be employed only once during a competitive run; a second occurrence in that run requires an immediate exit from the ring.
- **F&C does not apply to Gamblers or Snooker.**

### **Submission of Entries with Secondary Move-Up Date**

All entries or cancellations must be received at the Secretary's address no later than the closing date, after which time no entries will be accepted or cancelled. For entries received by the closing date, the level of entry into a given class may be advanced by notifying the Secretary in writing via email by the "Secondary Closing Date". No other changes, cancellations or additions may be made after the initial closing date.

To be accepted, entries must be complete, signed (by parent or legal guardian if handler is a minor), received by the closing date and accompanied by the correct fees and include a valid USDAA registration number on a completed registration form.

### **Next-Day Move-Ups Allowed At This Event**

Competitors earning a qualification during the Event that is needed to complete a title may advance their level THE NEXT DAY at the same event, i.e. move-ups on consecutive days ARE allowed.

Competitors are responsible for keeping accurate records of their qualifying scores and the judges from whom these scores were earned prior to this event to ensure that the dog is eligible to move up based upon scores earned at this Event. Competitors are advised to confirm scores earned with the scorekeeper and judge at the conclusion of a class to ensure the qualifying score has been accurately calculated and awarded in accordance with regulations. If for any reason it is determined that the score or previous scores were inaccurate, making the entry ineligible for the higher level class, any results (including awards) shall be forfeited and the entry will be deemed invalid without refund or other recourse.

Move-up forms supplied by this event must be used to notify the secretary BEFORE she leaves the site the day on which you earn your title.

## **Check-in & Measuring**

## **Dog Measurements & Certification**

All dogs not jumping 24" in the Championship Program or 20" in the Performance Program at local and regional events must be measured unless they have permanent USDAA or World Cynosport Dog Registration status or a temporary card with 3 signatures as required by the regulations, making the dog eligible for their jump height (prior to 3 years of age). Please note that only dogs 18 months of age and entered in the event may be officially measured.

## Check-In & Measuring

Saturday and Sunday: Check-In and Measuring starts at 7:15 AM. Judging will begin at 8:00 AM

### A Dog that Measures Up at Check-In - May Run FEO

If a judge's measurement of a dog at check-in establishes that the dog is ineligible for the height class in which entered, the competitor may opt to run the dog in the lower jump height class "For Exhibition Only", and no awards or qualifying scores may be earned. The competitor may not change their entry from one program to another (e.g., from Championship to Performance).

## General Entry Conditions

### Prohibitions on Aids & Devices

No leads, collars, food, toys or other aids or devices shall be permitted on the course at any time, except as provided for in Chapter 10 when Intro Program classes are offered, or in Chapter 8 when Junior Handler Program classes are offered.

### Statement of Responsibility

Competitors alone are responsible for the behavior of themselves, their dogs, children, and guests. A competitor whose dogs, children or guests create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Event Organizing Committee, be asked to leave the test site.

### Policy on Fault Limits

In the event of a larger entry, fault limits may be set at the discretion of the Organizing Committee and/or Judge without pre-event notice.

### Spam Blocker

Confirmations will be sent via email using the secretary's address. If you have a spam blocker on your email account, please configure it to allow email from the secretary's address since confirmations will be sent from this account.
