

## Think Pawsitive UKI Trial Info & Class Schedule September 5 – 6, 2020

**Building Opens:** 7:45am    **Briefing:** 8:45am    **Walk Thru:** 8:45am    **Judging begins:** 9:00am

**Temperature Check** will begin at 7:45 am. Temperature of each person will be taken with a no contact thermometer. Anyone with a temperature above 100.4 will be asked to leave and will not be able to participate.

**Parking:** There are plenty of parking spots available. *No overnight parking will be allowed at the trial site. No RV's due to space limitations.*

**Food:** Food is not available on the site for purchase. There are various restaurants and fast food vendors within a very short driving distance.

### **Measuring Dogs will begin at 8:30am.**

Measuring will take place near the secretary's table and exact times will be announced. You do not need to be measured before your first run if measuring has not yet happened. If you have not yet had a UKI measurement and your dog is jumping below the 22" Regular height or the 20" Select height, you must get your UKI measurement ASAP. Dogs competing above those heights do not need to be measured. If you have an actual measurement from another organization and wish to use this measurement, please bring your card to the measuring judge for documentation. If you find that you need to compete in another jump height due to your measurement, please see the show secretary for new scribe sheets in the classes that have not yet run.

### **Checking in at the ring.**

All competitors in classes must sign in at the gate for each event by checking off their name on the gate sheet. If you do not check in, the class will not wait for you. Please only check in for the class being walked. Please remember it is your responsibility to be ready at the ring for your run. Your scribe sheet will be handed to you upon checking in to run. You will be in charge of this while you line up to run within your jump height. Please hand the scribe sheet to the gate steward as you enter the ring.

### **Move-ups & Jump Height Changes**

If you collect enough points to move to the next level (Congratulations!), please see the trial secretary for new scribe sheets. You must compete in your new level the next competition day. All jump height changes will be accepted up until the first run of the day following dog measuring.

### **Not for Competition Runs**

You may turn any run into an NFC run, but must declare this right before entering the ring. You may use a non-audible toy (NO food, NO clickers). You will only be given the course time for NFC runs. This includes training start lines. You **MUST** leave the ring immediately once time is up.

## Think Pawsitive Dog Training, LLC Event Protocol during COVID-19

**This is subject to change before or after closing date. Final updates will be sent as they are made.**

1. Temperature of each person will be taken with a no contact thermometer. Anyone with a temperature above 100.4 will be asked to leave and will not be able to participate.
2. Dedicated workers and current workers are permitted in the building.
3. There will be limited spectator chairs available with wipes. Please wipe down the chair after your use. If a chair is not available, you may not be in the spectating area.
4. Participant chairs are not permitted in the spectator area. We will only be parking in the front of the facility. There will be NO PARKING in the rear, reserved lot.
5. The gate will be outside at the Suite G entry. Dog running and dog on deck will be inside. All competitors will enter the ring through Suite G and exit through Suite H. This is to keep everyone safe and maintain social distancing.
6. Warm up jump will be located inside, adjacent to the turfed arena.
7. Limited crating will be in the large blue-matted area. Please obey markers as to where to crate in order to maintain social distancing. It is recommended that you crate out of your car, weather permitting.
8. Scores will be posted in a private Facebook group and updated throughout the trial.
9. No guests or unentered persons allowed on the premises.
10. Exhibitors may NOT touch any equipment unless s/he is a worker.
11. There will be no hospitality (beverage and food will not be supplied or available to participants)
12. Masks must be worn at all times on the premises with the following exception:
  - a. Exhibitors may choose to run without masks, but must enter and exit the ring with masks on (leash on – mask on).  
Exhibitor MUST keep their mask on their person.
  - b. Judge
14. Exhibitors must bring their own mask. Masks will be available for \$2.00.
15. Hand sanitizer and disinfectant will be available, but it is highly recommended that exhibitors bring their own
16. The bathroom doors will be propped “open” to minimize touching of handles. Please maintain a six-foot distance while waiting in line to enter the bathrooms.
17. The bathrooms seem to be the places where you will be “touching” things that are used frequently. Please sanitize and /or wash your hands in these instances
18. A minimum of a six-foot distance should be used during all walk throughs. Masks must be worn during walkthroughs.
19. Upon entering the ring, leashes will be placed in a basket and the basket will be moved to the exit.
20. Ribbons will be handed out in person at the end of the day.
21. Let’s all use common sense, remain vigilant, and enjoy getting back to what we love

## Masters Qualifier Information and Running Orders

### UKI USA Open November 2020 Jacksonville, FL

The Masters Heat will start after the regular Agility classes are finished. The Masters Jumping will be run first and running orders will be posted and will be announced as posted. Handlers must run in strict running orders, failure to do so will result in elimination. Please disregard the running orders you are given on the competitor list. The Masters will run small to tall and a draw will be done at the show for running orders within the jump heights, but all day of entries will be run first within their jump height. Masters Agility will run in reverse order of the jumping heat result. For a full list of the rules please see the UKI Rules & Regulations and amended rules in the trial premium. We hope you will stick around and support those running in this new event. Winners of either the Agility or Jumping and the top 2 places in combined results in each jump height will be invited to participate in the Masters Final at the USA Open in November (details below). For those interested in WAO, you must run the Masters at your WAO jump height – details available at the UKI web page.

**Helpers:** Think Pawsitive LLC depends on volunteers to make this a great event. All workers must check in with the show help coordinator at the show site to receive their work assignment.

**Trial Site Rules:** Exhibitors are responsible for cleaning up after their dog(s). Cleaning supplies and disposal sites will be available at various locations around the show grounds. *Please NO SPIKE SHOES OR HEELS on the turf. Please wear clean, athletic footwear to preserve the flooring!*

### Online Results

Results will be available to view within 2 weeks of the trial. You will be able to log on to your account and see results that were clear rounds, gaining Level points.

### Interested in Running a Trial?

Contact Laura [laura@ukagilityinternational.com](mailto:laura@ukagilityinternational.com) at the show or the UK Agility International office. We will be happy to show you the benefits! Membership is growing rapidly and there is a demand for more shows all over the country. We also need trial managers who would like to run a Canadian Masters Heat to contact us for information.
