We are not a rehabilitation facility and have no certified physical or hydro therapists on our staff. We offer the canine water treadmill and swimming to clients who are interested in an alternative way to exercise their dogs for strength, fitness and fun. The client must sign a waiver assuming all risk against any loss, damage or injury that may occur while using these services.

Are there medical conditions or other reasons that would limit or preclude this dog from exercising in our TAILS Academy Program? YES ☐ NO ☐
