

## Think Pawsitive UKI Trial Info & Class Schedule January 17, 2026

**Building Opens:** 7:45 am    **Briefing:** 8:15 am    **Judging begins:** 8:30 am

**Parking:** There is limited parking in the FRONT lot and PLENTY of PARKING in the REAR, RESERVED lot. No overnight parking will be allowed at the trial site. No RVs due to space limitations.

**Food:** Food is not available on the site for purchase. There are various restaurants and fast-food vendors within a very short driving distance. Lunch, snacks and beverages will be provided for workers only.

### **Measuring Dogs will begin at 8:00 am:**

Measuring will take place near the secretary's table and exact times will be announced. You do not need to be measured before your first run if measuring has not yet happened. If you have not yet had a UKI measurement and your dog is jumping below the 22" Regular height or the 20" Select height, you must get your UKI measurement ASAP. Dogs competing above those heights do not need to be measured. If you have an actual measurement from another organization and wish to use this measurement, please bring your card to the measuring judge for documentation. If you find that you need to compete in another jump height due to your measurement, please see the show secretary before the classes that have not yet run.

**WE WILL BE USING THE AGILITY GATE APP** - <https://agilitygate.com/> (Code 0117): Agility Gate is a free-to-download app that allows competitors to check in their dogs at an agility show and keep track of the current state of the run orders. It helps prevent crowding around the gate and allows competitors to keep tabs on things while crating away from the ring.

**NFC Reward Box:** Food rewards will be allowed for NFC runs. The Reward Box will have a gate that is closed when not in use and the food must be placed on a table or raised platform.

### **Bitches in Season:**

May run at this trial. To be able to run a BIS, you must immediately tell the trial secretary, who will mark BIS on the running orders. The BIS will remain in their running order. If the dog is not wearing BIS pants, they will start on a mat provided by the show. It is the handler's responsibility to ensure the mat is available for their runs. The handler/owner acknowledges the inherent risk of running a dog on an agility course with BIS pants on and assumes all risk by doing so, and also the potential risks with slips from starting from a mat.

### **Checking in at the ring:**

All competitors in classes must sign in at the gate for each event by checking off their name on the gate sheet. If you do not check in, the class will not wait for you. Please only check in for the class being walked. Please remember it is your responsibility to be ready at the ring for your run.

### **Move-ups & Jump Height Changes:**

You must compete in your new level the next competition day. All move-ups and jump height changes will be accepted up until the first run of the day following dog measuring.

### **Not for Competition Runs:**

You may turn any run into an NFC run but must declare this right before entering the ring. You may use a non-audible toy (NO food, NO clickers). You will only be given the course time for NFC runs. This includes training start lines. You MUST leave the ring immediately once time is up.

## Masters Qualifier Information and Running Orders

### UKI USA Open November 2026, Jacksonville, FL

The Masters Heat will start after the regular Agility classes are finished. The Masters Jumping will be run first and running orders will be posted and will be announced as posted. Handlers must run in strict running orders, failure to do so will result in elimination. Please disregard the running orders you are given on the competitor list. The Masters will run small to tall and a draw will be done at the show for running orders within the jump heights, but all day of entries will be run first within their jump height. Masters Agility will run in reverse order of the jumping heat result. For a full list of the rules please see the UKI Rules & Regulations and amended rules in the trial premium. We hope you will stick around and support those running in this new event. Winners of either the Agility or Jumping and the top 2 places in combined results in each jump height will be invited to participate in the Masters Final at the USA Open in November (details below). For those interested in WAO, you must run the Masters at your WAO jump height – details available at the UKI web page.

**Helpers:** Think Pawsitive LLC depends on volunteers to make this a great event. All workers must check in with the show help coordinator at the show site to receive their work assignment.

**Trial Site Rules:** Exhibitors are responsible for cleaning up after their dog(s). Cleaning supplies and disposal sites will be available at various locations around the show grounds. Please NO SPIKED SHOES OR HEELS on the turf. Please wear clean, athletic footwear to preserve the flooring!

**Specialty Vendors:** Specialty vendors will be set up at Think Pawsitive during the event, offering unique products and services. Please take a moment to stop by, connect and support them throughout the weekend.

### Online Results:

Results will be available to view within 2 weeks of the trial. You will be able to log on to your account and see results that were clear rounds, gaining Level points.

### DIRECTIONS: *(Facility is located at top of complex)*

#### From Milwaukee:

Follow I-94 W  
Take exit 297 for US-18/Barker Rd toward County Rd JJ/Bluemound Rd (0.3 mi)  
Use any lane to turn left onto N Barker Rd (1.2 mi)  
Slight right onto WI-59 W/W Greenfield Ave  
Continue to follow WI-59 W (3.6 mi)  
Use any lane to turn left onto WI-164 S/WI-59 W/East-Side Bypass/Les Paul Pkwy (0.5 mi)  
Turn right onto Pearl St (0.1 mi)  
Turn left onto Commerce St (0.1 mi) to **301 Commerce St, Waukesha, WI 53186**

#### From Madison:

Follow I-94 E  
Take exit 297 to merge onto US-18 W/WI-164 S/E Moreland Blvd toward Waukesha (0.4 mi)  
Follow WI-164 S to Commerce St (2.9 mi)  
Merge onto US-18 W/WI-164 S/E Moreland Blvd (1.4 mi)  
Use the left 2 lanes to turn left onto WI-164 S/East-Side Bypass/Les Paul Pkwy (1.3 mi)  
Turn right onto Pearl St (0.1 mi)  
Turn left onto Commerce St (0.1 mi) to **301 Commerce St, Waukesha, WI 53186**
